

Winter 2006 Blogathon for Hunger

All Proceeds Go to the El Dorado County and Amador County Food Banks

When? December 1st to December 15, 2006

Who? Sponsored by Elite Properties (John Lockwood Associates)

What the Heck is a Blogathon? A blog is a web site arranged like a journal. A blogathon is a fundraiser where you pledge per post (page). It's kind of like a jogathon, only instead of people with athletic shoes running around, picture some nerds typing.

Where: Online, of course, at <http://www.placerville-realestate.com/tags/blogathon>

What's In it For You? The joy of helping out. Seeing your name in print. For example, if you're a fellow Realtor® and you want us to, we'll promote your listings and your company if you make a pledge. Or you can pledge anonymously if you prefer.

What's In It For Us? A chance to get our name out there in the community and to raise funds for the Amador and El Dorado County Food Banks, without having to do any of that sweaty jogging stuff.
